I cannot have to be.

Your despatch reached me in Nyt but I hardly understood it only that you did not accept my offer. I want the No 1, I would pay a fair price for it.

I also want the Nos

2 - 3, 4, 6, (13), (34), 20, 21, 23, 28, 32.

any of them you can let
fit & couple together
either in part or all
would prefer the 1st mentioned
in this order, make me a
Complet of some of the No's
with No 1 and let me
fair price for them and
let me hear from you.
I do not want them
all. I really care only
for the first one, or four,
but would take them
& get any of those to help
you out. (what will to 1
and 13 Cork.)
Yours L. F. Landsay

Yours rec'd.

The way we are situated we cannot break the collections without buying 3 Coll. for $200. nett cash and this the lowest the collection will sell for, The copper cents separate
So as to get out of the matter whole we will sell you the numbers in your favor @ 27 for $100. This is a good reduction from our estimate value.

The notes are in universally fine condition and are a very desirable lot. Seldom we unable to buy at our prices

The price named is very low.

We cannot seperate them and find us must sell this unit to be able to break them up.

The cabinet notes do not leave much of value and at $100 one as cheap as if you had purchased the whole coll.

Etc &c &c.

Yours is received I guess you will think I am a hard customer. I cannot do $100— in the Notes as agreed. I will make a proposition, which you may hold good until the 15th inst of Sept. I want 182 & 182 I will give $45.00 for them. I also want 130 34. I will give $20.00 for 130 & 34 without 182. or I will give $70.00 for the 4 pcs.

Yours L. T. Lindsay

Please let me know Sunday if you will do as agreed

Yours re o.

We can only do as we made and we are very sorry the print 100. is very low for the numbers 1, 2. 3. 4. 6. 13 34.

20-21. 23. 28. 32

At this figure we are giving you the advantage of selecting the choicest nots at the cost of the collection to us. We do not make anything on it as nobs doing it to oblige you & owners. The notes are very fine and desirable and the four mentioned which you have 100. for are really worth

No 1 - 2/- and cheap as that but we
No 2 - 3/0 must sell 100 before selling them
13 - 1/- Best £1 100 as above they
34. - 1/- are a bargain
£8 5.

Even if you should take them we are left with some nobs for only 25. So we are not going to sell the best at a loss.
